

LOCATION: REGISTRATION TENT IN ALBERT WHITTED PARK

***** PHOTO ID REQUIRED*****

Participants aged 16+ need to bring a Driver's License or Photo ID

1) You will receive an email via Race Roster with your **pre-assigned Bib Number**. You can also look up your Bib Number on your phone using the QR Code posted at packet pick-up.
2) Upon entering the Registration tent, proceed to the bib pick-up line that corresponds to your bib number. For example, if your Bib Number is 100, go to the line for bib numbers 1-300.
3) Show your photo ID to receive your Bib Number, which will have the **RFID timing chip** affixed to the back, as well as a label with your name and shirt size. *You will also receive a "21 and over" wristband if you are 21 and over, which you need to wear for post-race alcohol.*
4)Proceed to the **SHIRT PICK-UP** tables in the adjoining tent, which are divided by race distance. You will be given the shirt size you ordered when you registered. **Shirt sizes cannot be changed at packet pick-up, as they were ordered based on what you chose when you registered.** You can swap with another participant directly or wait until the end of packet pick-up to do a size exchange. Half Marathon participants will also receive their tumbler.
5)Timing chips do not need to be scanned as they are already active.

CHALLENGE PARTICIPANTS

Challenge participants (Tortuga, Dolphin, or Stingray) should proceed to the special packet pick-up line for challenge participants, and look for the sign for your specific challenge.
Tortuga Triple participants will receive ONE Tortuga Triple Bib/chip, a Half Marathon hoodie, a 5K shirt, a 10K shirt, a Half Marathon tumbler, and a Tortuga Hat or Visor. The same bib/chip will be used to time all 3 races. *Please keep your Bib from Saturday to wear for Sunday's Half Marathon.*
Dolphin Double participants will receive ONE Dolphin Double Bib/chip, a Half Marathon hoodie, a 5K or 10K shirt, and the Half Marathon tumbler. The same bib/chip will be used to time both the Half Marathon and 5K or 10K races. *Please keep your bib from Saturday to wear for Sunday's Half Marathon.*
Stingray Double Play participants will receive ONE Stingray Double Play Bib/chip, and the 5K and 10K shirts. The same bib/chip will be used to time both the 10K and 5K races.

HALF MARATHON RELAY PARTICIPANTS

Relay Teams will be assigned 2 bibs - **both bibs will have the same bib number**, but only ONE of the bibs will have a timing chip attached to the back, and that bib will be attached to the race belt provided. Runner A will wear both bibs to start the race – the one attached to the race belt, and the one without the chip safety-pinned to clothing. Runner A will pass the race belt with chipped bib to Runner B at the Relay Exchange Point. Runner B will then run with and keep the chipped bib, and Runner A will use the un-chipped bib as proof of participation in the post-race area. *The race belts do not need to be returned*.

PELIKIDS (One Miler & Lil'Shrimp)
Kids under the age of 16 DO NOT require a photo ID. Kids will receive their official run BIB and PeliKids t-shirt. While we don't recommend that parents run with their child – this is THEIR race, after all – we do understand that some kids need the guidance and support of a parent on the course. Parents who wish to run with their child may sign a paper waiver and receive a special "Big Fan of a PeliKid" BIB at no charge. Kids will receive their finisher medal at the finish line.

PELIPAWS DOG WALK
Dogs will receive their PeliPAWS dog tag and numbered bib. Registration is $25 per dog, if not pre-registered.
