

CHALLENGE PACKET PICK-UP

Challenge participants (Tortuga, Dolphin & Stingray) have their own special line at packet pick-up. We suggest picking up your bib, shirts and swag on Friday, November 13th from 2-7pm. You can also pick up Saturday morning, but please note that you will receive several items that will need to be gear checked or stored in your vehicle (which may be some distance away). Please allow extra time.

CHALLENGE BIB

Challenge participants will receive **ONE** Bib at packet pick-up to wear for all races. **If you are racing both days (Tortuga & Dolphin), please keep your Bib and wear it again on Sunday.**

CHALLENGE MEDAL PICK-UP

You'll receive your 5K, 10K, and Half Marathon finisher medals in the finish chute. Stingray Double Play (10K+5K) will pick up their Stingray Challenge medal on Saturday after completing both races. Tortuga Triple (all 3 races) and Dolphin Double (5K or 10K + Half) will pick up their Challenge medals on Sunday after completing all races. **Challenge medal pick-up is in the Registration tent** where you picked up your bib.

ORLANDO HEALTH BAYFRONT HOSPITAL VIP/CHALLENGE AREA

Your Challenge bib gives you access to the Orlando Health Bayfront Hospital VIP/Challenge area. Upon entering, all Challenge participants will receive a running hat (compliments of Orlando Health Bayfront Hospital) and have access to VIP food and drink, as well as a private bank of porto-potties.

3-PETE MEDAL PICK-UP

If you finished the St Pete Half Marathon in 2024, 2025 and 2026, you may pick up your 3-PETE medal in the Registration tent following the Half Marathon on Sunday. **Please note: If you already received a 3-PETE medal in 2024 or 2025, then you are not eligible to receive another one until 2027 or 2028, respectively. The Half Marathon Relay does not count towards the 3-PETE medal.**
