

LOUD. Runners POST-RACE DANCE PARTY! of Tampa Bay

What could possibly make the St. Pete Run Fest even better? Nothing. Nothing can make it better, but we can extend the fun with a post-race dance party. LOUD Runners are proud to be the official host of the post-race dance party and to commemorate the event, the first 50 participants will receive a free hat. Join us at the finish line as we cheer in the final half-marathon finisher and dance, dance, dance!

While waiting for the dance party, grab some carnival popcorn from the LOUD circus tent and walk on the tight rope strung precariously high (several feet above sea level) for your chance to win a prize.
