SILICONE REUSABLE CUPS ON COURSE

We've contracted with Hiccup Earth to provide silicone reusable cups at every water stop along the 5K, 10K, and Half Marathon Courses. A new cup will be provided at each water stop and PeliCrew Volunteers will instruct where to place your used cup. Please do not remove Hiccup cups from the race course.

AT THE FINISH YOU'LL GET A STEELYS STAINLESS STEEL WATERBOTTLE AND/OR AN ALUMINUM CAN OF LIQUID DEATH WATER

Half Marathon and 10K participants will receive Steelys Stainless Steel Waterbottles. 5K participants will receive Liquid Death Water. This will eliminate the need for thousands of single use plastic waterbottles. Water can also be refilled at the Water Fill Station.

DRINKS WILL BE SERVED IN ALUMINUM CANS, OR RECYCLEABLE CUPS

Please use the recycling located throughout the site to recycle these when you're done.

FOOD WILL BE SERVED USING RECYCLEABLE TABLEWARE AND UTENSILS

Please place these in the correct bin for recycling

MORE FOUNDATION GROUP RUNNING SHOE DONATION

Donating shoes keeps them out of our landfills. Proceeds from the shoes fund MORE's ongoing reforestation projects. Hundreds of thousands of trees are planted and protected each year, which creates massive carbon offset each year. Please bring your gently used running shoes to donate on race weekend. For more info, please visit www.morefoundationgroup.org

TEES FOR TEES

When you register for Run Fest, you may choose to receive a shirt or use the proceeds to fund the Gift Tree Program in St. Pete

THANK YOU!
