CHRONOTRACK B-TAG TIMING TECHNOLOGY

ChronoTrack Systems B-Tag is a disposable RFID tag that adheres to the back of the participant's bib number to record their time. Your chip will be recorded by timing mats at the start line and finish line. There will be additional timing mats at the farthest points on the course.

In order to receive an accurate time, please confirm your bib is:

- o   Clearly visible on the **FRONT** of the torso.
- o   Unaltered or modified. **Do not fold or wrinkle** or you risk breaking the timing chip.
- o   Pinned in all four corners so the timing chip stays flat.
- o   **Not covered** with jackets, water bottles, etc., so as not to block the reading of the timing chip.

LIVE TRACKING & RESULTS

A QR code for the **LIVE RESULTS PAGE** will be available at the race site. The live results page will include a live leaderboard, and the ability to search for an individual athlete to track their progress as they hit each split timing mat on the course.

Those who don't have a phone can also access the LIVE RESULTS page at the Bay City Timing & Events RESULTS tent in Albert Whitted Park. Bay City Timing, the official timers, will be on hand to answer any questions or concerns about results.

A link to the **Official Results** will be posted on our website at www.stpeterunfest.org following the event. This is a USA Track & Field sanctioned event, and **official results** will be submitted to USATF following the event.

There will be no awards ceremony. Awards will be handed out at the **INFO/AWARDS TENT** as soon as Bay City Timing provides a final/corrected set of results. There will be an awards podium & backdrop next to the INFO/AWARDS TENT to take photos. Approximate award times are 8:15am for the 10K, 9:45am for the 5K, and 9:30am for the Half Marathon.
