

# PACKET PICK UP

**LOCATION: REGISTRATION TENT IN ALBERT WHITTED PARK**

**\*\*\* PHOTO ID REQUIRED\*\*\***

**Participants aged 16+ need to bring a Driver's License or Photo ID**

- 1) You will receive an email via Race Roster with your **pre-assigned Bib Number**. You can also look up your Bib Number on your phone using the QR Code posted at packet pick-up.
- 2) Upon entering the Registration tent, proceed to the bib pick-up line that corresponds to your bib number. For example, if your Bib Number is 25, go to the line for bib numbers 1-250.
- 3) Show your photo ID to receive your Bib Number, which will have the **RFID timing chip** affixed to the back, as well as a label with your name and shirt size. Your bib also includes tear-off stubs for food and drink which you should leave on your bib until you are ready to use them.
- 4) Proceed to the **SHIRT PICK-UP** tables, which are divided by race distance. You will be given an ECO-tote, and the shirt size you ordered when you registered. **Shirt sizes cannot be changed at packet pick-up, as they were ordered based on what you chose when you registered.** You can swap with another participant directly or wait until the end of packet pick-up to switch.
- 5) Timing chips do not need to be scanned, however, if you want to check that your information is correct, your chip can be scanned at the Bay City Timing tent in Albert Whitted Park.

## **HALF MARATHON RELAY PARTICIPANTS**

Relay Teams will be assigned 2 bibs - **both bibs will have the same bib number**, but only ONE of the bibs will have a timing chip attached to the back, and that bib will be attached to the race belt provided. Runner A will wear both bibs to start the race – the one attached to the race belt, and the one without the chip safety-pinned to clothing. Runner A will pass the race belt with chipped bib to Runner B at the Relay Exchange Point. Runner B will then run with and keep the chipped bib, and Runner A will use the tear off tags on the unchipped bib for post-race food and drinks. Runner B should return the race belt after finishing but keep the chipped bib.

### **PELIKIDS (One Miler & Lil' Shrimp)**

Kids under the age of 16 DO NOT require a photo ID. Kids will receive their official run BIB and PeliKids t-shirt. While we don't recommend that parents run with their child – this is THEIR race, after all – we do understand that some kids need the guidance and support of a parent on the course. Parents who wish to run with their child may sign a paper waiver and receive a special “Fan of a PeliKid” BIB at no charge. Kids will receive their finishers medal at the finish line.
